

**CELEBRATING YOU**

**396 days ago Hertfordshire,  
along with the rest of the UK,  
went into a National Lockdown!**

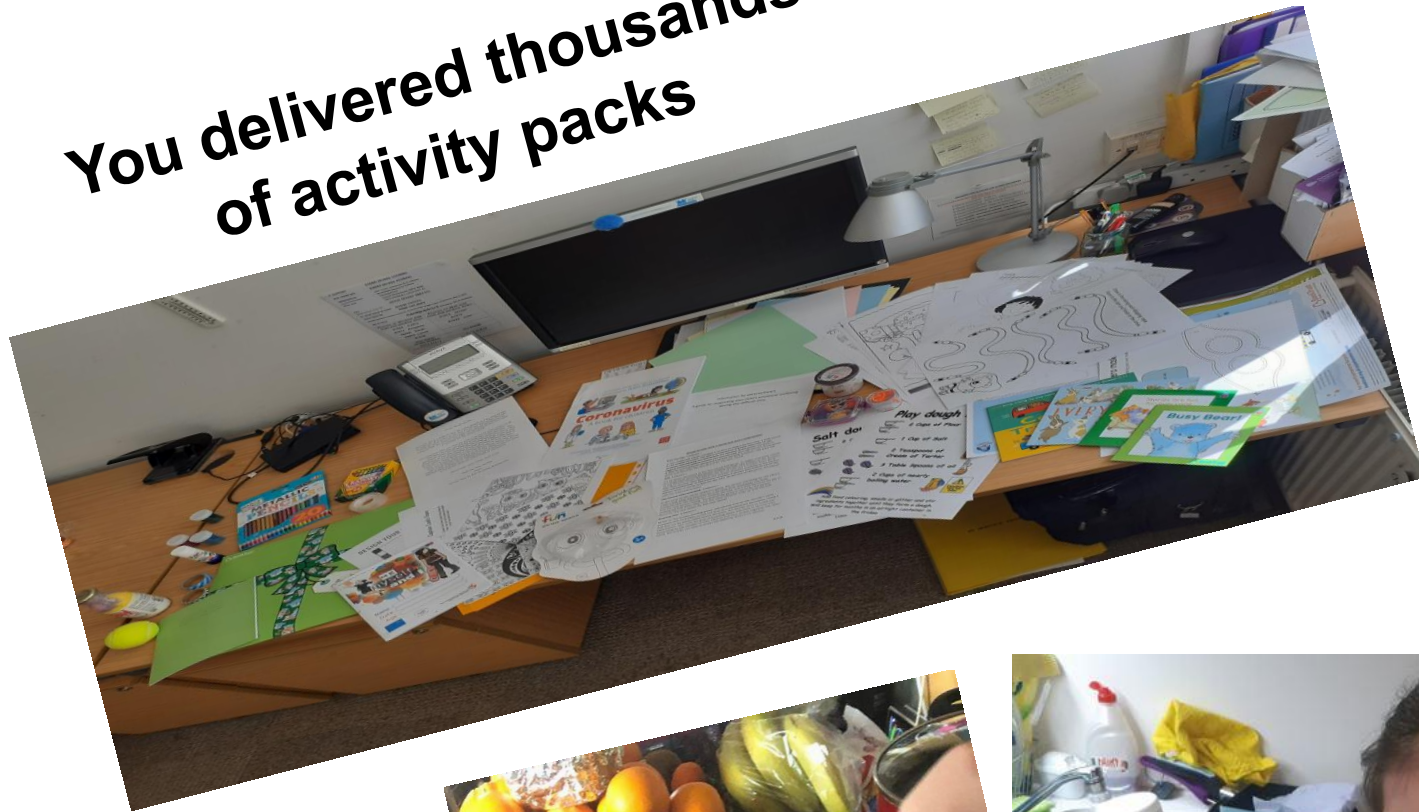

**At this time community spirit and  
partnership working helped  
support families, lessen isolation  
and made sure no one was  
forgotten.**

**You all turned  
in to super  
heroes!**

**... because not  
all super  
heroes wear  
capas.**

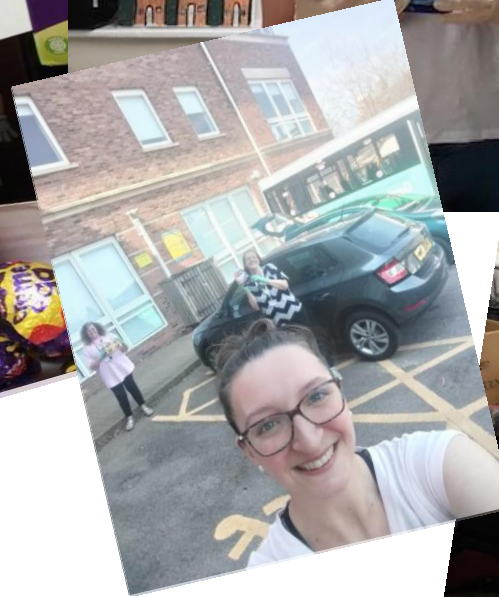

**You delivered thousands  
of activity packs**

**Hundreds of cooking  
parcels**

You clapped the NHS  
and Key workers.  
We clapped for  
you

Easter came and deliveries  
included Easter Eggs and the  
toy libraries got under way.

**You made sure no families went hungry, you collected the food, made the parcels and delivered them.**

**You put other's needs before your own.**

**You adapted your service delivery to continue to support vulnerable children and families.**

**Summer holidays came and you didn't disappoint.**

**The children went back to school and you stepped up providing invaluable support for children and families who were anxious.**

**You created programmes of support from your own homes and delivered them from your kitchens & bedrooms.**

**Whatever came, you rose to the challenge!**

**Your countywide kindness shone at Christmas when families were OVERWHELMED with the community generosity leaving them with one thing less to worry about.**

To each and every one of you

**THANK YOU**

You're simply the best!
