

Targeted Parenting Courses & Workshops - Summer Term 2024

Autism and ADHD workshops for parents

Early Help Commissioning have commissioned workshops, between 1-2hrs, on a variety of different topics to support parents when an issue comes up, enabling them to 'dip in and out' for support when necessary.

Topics on offer include:

- Anxiety
- Girls with ADHD or Autism
- Transitions
- Siblings
- Understanding the SEN world
- Anger
- Sleep
- Executive functioning skills
- Puberty
- And more...

We have also commissioned webinars to support parents on a variety of different topics with titles including:

- Understanding Autism
- Understanding ADHD
- Navigating SEND World
- Navigating SEND Post 16

These workshops and webinars are fully funded. Parents can self-refer and do not need a formal diagnosis of Autism/ADHD. You can find all workshops and webinars through the [Local Offer](#)

Strengthening Families, Strengthening Communities

We are now taking referrals for our Summer Term 13-week face-to-face courses which will be running throughout the county.

Alternatively, if a parent cannot attend the face-to-face course, we have the 6-week online course that is facilitated by Race Equality Foundation.

Parents must be referred or self-refer to us.

For more information and how to refer, following this link.
